

# Help us to stand up for Staffordshire's countryside

## Volunteer Information Pack

Find out how to get involved

## Find out more

You could help in a range of ways, including:

- Keeping us up-to-date with planning applications in your area.
- Taking photos that we could use on our website or other communications.
- Helping to plant hedges as part of the Hedgerow Heroes project.
- Researching possible sources of funding and writing applications to trusts and funds.
- Becoming a trustee

If you'd like to know more or just want a chat about our volunteering opportunities, please visit the designated volunteering page on our website, or drop us an email. Join us and be part of an inspirational team dedicated to making a difference. Our members care deeply about Staffordshire and want to see it thrive for present and future generations to enjoy.

The countryside charity  
Staffordshire

## A bit about us

Part of the national CPRE network, we are a local charity that campaigns to protect, promote and enhance Staffordshire's beautiful countryside and local green spaces.

We keep a watching brief on planning applications and respond to Local Plan consultations and offer advice to community groups who are fighting proposals for inappropriate development in their area.

We've also organised a 'health-check' of the Staffordshire Way, free stargazing nights for children, Green Clean events to press for the introduction of a Deposit Return Scheme to reduce littering, and have planted trees and hedges around the county. We run an annual awards scheme for conservation and environmental work by schools.

## What about you?

**We are seeking to recruit more volunteers to help grow our influence and impact.**

This is an excellent opportunity to play an influential role in a respected local environmental organisation, to apply your skills and experience to make a difference and to be part of a friendly and passionate group.

By volunteering with us you'll be part of a friendly team of like-minded people. You can join our social events, attend workshops and take part in CPRE's annual national conference.

We are also looking to expand our Board of Trustees.

Prospective trustees might have experience in any number of areas, including agriculture, tourism, fundraising, finance, marketing, social media or campaigning.

Whatever your background and experience, the duties of all of our Trustees include giving strategic direction to the organisation, setting overall policy, defining goals, setting targets and evaluating performance.
