

The countryside charity Staffordshire

Enter now to win the 2025 Green Schools Trophy for your school!

All Staffordshire schools are invited to showcase their conservation and environmental projects for a chance to win a willow-weaving workshop and hold the trophy for a year.

We are looking for inspiring projects that contribute to the protection, conservation or improvement of the local environment. This could be through cutting down on single-use plastics, practical conservation work, creating wildlife habitats, promoting energy-saving or waste reduction/recycling, green transport schemes or any other original idea your school may come up with.

Please use the form below to submit your bid for the 2025 CPRE Staffordshire Green Schools' Trophy. The winning school will hold the trophy for 12 months. Projects should be continuing (i.e. started some time ago but currently ongoing), started within the last 12 months or, if now complete, completed within 12 months of the closing date.

The closing date for entries is midnight **Friday 23rd May** and the winner will be notified during the summer term. We can help organise publicity for the winning school.

If you have any queries please email protect@cprestaffordshire.org.uk or call 01785 278230.

Please email your entry to protect@cprestaffordshire.org.uk. An online version of this form is available [here](#).
